## ALLARD'S REACTION TO PRESIDENT BUSH'S STATE OF THE UNION ADDRESS SAYS PRESIDENT HIT A HOME RUN WITH SPEECH

Washington, D.C. – U.S. Senator Wayne Allard (R-CO) made the following comments this evening concerning President Bush's State of the Union Address.

“President Bush made Barry Bonds look like a singles hitter tonight,” U.S. Senator Allard said following President Bush's State of the Union Address. “He clearly connected with the American people with a straight forward talk on what they are concerned about: national security, homeland security and economic security.”
