SENATOR ALLARD NAMED TO BUDGET CONFERENCE PANEL

WASHINGTON, D.C. – U.S. Senator Wayne Allard (R-Colorado), a member of the Senate Budget Committee, has been appointed a conferee on the House-Senate Conference Committee. The conference committee will meet to work out differences between the U.S. House and Senate versions of the FY 2006 Budget Resolution.

“I look forward to working with the House and Senate leadership to getting a Budget Resolution passed that sets firm spending limits in order to responsibly address the budget deficit,” Senator Allard said.

“It is our job to ensure that the nation’s priorities, including our energy needs, are adequately funded,” the Senator said. “And it is our responsibility to make sure that the country’s fiscal health is safeguarded. Discipline will be the watchword.”

Senator Allard was appointed to the Budget Conference Committee by Majority Leader Bill Frist.
