## **SENATOR ALLARD ANNOUNCES \$3.1 MILLION IN RURAL DEVELOPMENT FUNDING FOR WATER SYSTEM IN CEDAREDDGE**

WASHINGTON, D.C. – U.S. Senator Wayne Allard (R-CO) announced on Tuesday that the Town of Cedaredge was selected to receive a \$900,000 grant and a \$2.2 million loan from USDA Rural Development. The funds will be used to upgrade the town's water distribution system and add fire hydrants in the town.

“I am pleased that USDA Rural Development has provided this critically needed funding for Cedaredge,” Senator Allard said. “Recently, Cedaredge has faced an increasing amount of leaks and failures in its water lines. With this funding, Cedaredge will be able to upgrade its deteriorating system to ensure that its residents will have a safe, clean water supply.”

The USDA Rural Development funding will be supplemented by an additional \$730,000 from sources in Colorado, including \$500,000 from the Colorado Department of Local Affairs, \$200,000 from Delta County and \$30,000 from the Town of Cedaredge.
