ALLARD PRAISES RUMSFIELD RECOMMENDATIONS SAYS RECOMMENDATIONS BEGIN A NEW ERA FOR SPACE

Washington, D.C. – U.S. Senator Wayne Allard (R-CO), Chairman of the Senate Armed Services Strategic Subcommittee, today praised the defense recommendations outlined by Secretary of Defense Donald Rumsfeld.

“I am very pleased with Secretary Rumsfeld’s recommendations,” said Allard. “Many of these recommendations were encouraged by the NRO Commission and Space Commission and stressed by me during his confirmation hearing. He is recognizing the long-term security needs of our nation and I look forward to working with him and the administration as a member of the Senate Armed Services Committee in implementing these recommendations.”
