## ALLARD'S STATEMENT ON FARM BILL VOTE COLORADO SENATOR VOTES "YES" ON BILL

Washington, D.C. – U.S. Senator Wayne Allard (R-CO) today voted “yes” on the Farm Bill Conference Report on H.R. 2646. He made the following statement immediately after the vote:

“Colorado’s rural areas and agricultural communities are under distress and need help,” said Allard. “Farmers have experienced five years of low commodity prices, an on-going drought and they are relying on this Farm Bill to provide some relief.”

“This is not a perfect bill - far from it, but it gives much needed relief to Colorado’s farmers and ranchers,” added Allard. “I will continue to work on those issues not addressed in this legislation: regulatory relief, trade and elimination of the ‘death’ tax.”

Allard said he had been asked by both the Colorado Farm Bureau and the Rocky Mountain Farmers Union, in addition to several other Colorado agricultural organization, to vote for the bill.
