## **SENATOR ALLARD SECURES FUNDING FOR TRINIDAD WATER INFRASTRUCTURE IMPROVEMENTS**

WASHINGTON, D.C. – U.S. Senator Wayne Allard (R-Colorado) announced Tuesday that he has successfully secured \$300,000 for water infrastructure improvements in the City of Trinidad.

“The provision of clean, safe drinking water is a basic municipal service that cannot be overlooked,” Senator Allard said. “I am pleased I was able to obtain this funding, which will allow Trinidad to upgrade its water storage and distribution system, keeping its water up to standards.”

The funding was included in the 2005 Omnibus Appropriations Act approved by Congress on Saturday.
